

Why Join IFMA as an Associate Member?

- IFMA is the **most direct channel** of communication between your company and the FM world.
- IFMA represents, supports and unites the largest community of facility management practitioners, consultants, educators, students, and product and service providers in the industry. **As an Associate Member you gain access to these outstanding professionals!**
- Associate Members are **featured on our IFMA Sacramento website** directory accessed by our FM members.
- Associate Members receive **discounts to attend** IFMA Sacramento programs, events, and educational seminars.
- Associate Members are provided with **exclusive sponsorship opportunities** for IFMA Sacramento events.
- Gain a **community of life-long friends from around the world** who help you grow, share practical insights and leave a lasting impact on the world.
- IFMA members themselves represent more than 65 countries and a variety of specialized areas within the facility management profession. The diversity that characterizes the IFMA community **enriches members' networking experiences.**
